

Betsy Andrews – MAR Coordinator – 115 Earle Branch Rd. – Centreville, MD 21617

Hello!

Thank you for entering the 35<sup>th</sup> Annual Mid-Atlantic Regional Horse Show! This promises to be an action packed weekend devoted to model horses. And what a milestone! I never thought I'd be running the show for 30 of those years. This year we are again part of the Breyer Live Show Benefit Program, so one lucky entrant will receive a Razzmatazz!

Basically, the show is sold out! I am saving some space for new folks – Kids 12/U and Novice/4H/Youth showers. We're trying to encourage new people to get involved. If you know of some, please tell them about the show.

We're still looking for judges. If you can help out by judging a division, please let me know. Though I'd love to judge the available divisions, I can't do them all. Those who won a grand/reserve last year – please consider volunteering! That's the only way I can keep this show going. Check the website (<http://mar2015.weebly.com>) or email me to see what divisions are still open. I will be updating this information as it changes.

The initials that you should use on your tags are also listed on the website. **Please use the three initials on all tags and cards;** many of you have similar initials, and if you use only those of your first and last name, they may be the same as another fellow shower. It's fine to have your full name listed on the tag as well.

Donations are being accepted to the auction and raffle, please contact me if you'd like to donate. We have a few – and could use more!! A complete listing will be sent to each MAR participant in mid-March, and a listing will be available on the website soon.

If you have a quick question about MAR, please email Betsy at: [FPMVendetta@yahoo.com](mailto:FPMVendetta@yahoo.com). Please don't panic if you don't hear back from me right away – I'm not on email anywhere near 24/7. Email is not usually checked on weekends, and even during the week it might take a day or two to get back to you. ☺ I will get back to you as soon as I can.

That's it for now. I'll try to send out a "pre-show" letter the week before MAR with any updates. Also check the website for updates. Looking forward to seeing you in March!
